1 WELCOME,

every fall, the University is reborn as it welcomes a bunch of new students. Eyes full of excitement and enthusiasm, the bustle of various questions and the warmth of yet new acquaintances fill the auditoriums, laboratories, and libraries. We are glad that from now on, we will be able to meet you here at the Lithuanian University of Health Sciences. So as to make this journey a smooth one, we have prepared a guided tour for you, which will help you get to know the University.

FRESHMEN CAMP

September 16–18

Freshmen camp is where your student life begins. Here you will get to know fellow students, get reliable information about studies, the University, student organizations and much more!

[**Registration Form**](#)

5 UNIVERSITY INFORMATION SYSTEM

YOU WILL LEARN "HOW TO TAME INFORMATION SYSTEMS"

OFFICE 365 is available to all students and includes Word, Excel, and PowerPoint programs.

[Install "Office 365" on your computer](#)

OFFICE 365

How to LOGIN to the three University systems

The same username and password are used to login to all University systems. Login names are created based on a simple rule: *first 4 letters of your name and surname, date of birth 1989 04 23*. For example:

User ID: namesurn0423

Password: namesurn1989

Important! When logging on to an Office 365 account (e-mail, Teams), you need to indicate the domain name @kmu.lt in the login name. For example: namesurn0423@kmu.lt

The password can be changed only in the study information system, and it is automatically changed for all University systems.

STUDY SCHEDULE

Check **your** schedule

View the selected schedule

Synchronize your schedule with your calendar

Choose a format that is convenient for you

The screenshot shows the 'My schedule' page in the LSMUSIS system. The interface includes a navigation menu on the left with options like 'MY SCHEDULE', 'SCHEDULE', 'BUSYNESS OF AUDITORIUM', 'ORDERS OF AUDITORIUM', 'REPORTS', 'PERSONAL ROOMS SET', and 'PERSONAL SUBJECTS SET'. The main content area displays a calendar for September 2022, with the 'Month' view selected. The calendar shows course sessions as colored bars (orange and blue) with time slots (e.g., 08:00-12:30) across various days. The top right of the calendar view has tabs for 'Day', 'Week', '2 Weeks', 'Month', and 'Agenda'. The top navigation bar includes 'Moodle', 'Support system', 'Suggest', and 'Lt'.

SCHOLARSHIPS

Incentive scholarship

1.5 Basic Social Benefit (BSB) = 69€

Awarded based on the semester GPA (to the best studying students for the best admission or study results).

Honorary Scholarship

Documents proving active participation in student activities or supportability (those who have lost their parents or guardians, have disabled parents, or come from large families) are required. Awarded twice per academic year; yet one student can receive the scholarship only once.

Social scholarship (provided by STATE STUDIES FUND)

- Students whose families or they are entitled to or receive social benefits
- Students with 45% or a lower level of work capacity or a severe or moderate level of disability
- Students who are less than 25 years old and have had legal guardian(s) until they reached adulthood (or their parents (only parent) are deceased).

One-time incentive scholarship

2 BSB = €92

Awarded for active student, social, organizational, scientific, sports activities and high results achieved in representing the University. The application is submitted to LSMU Student Representation by the 10th day of the current month.

One-time social scholarship

2 BSB = €92

After the birth of a child, the death of a family member or in the event of a natural disaster (granted once per semester).

13

SPECIAL NEEDS

The University creates an open and friendly study environment for all students, aims to meet the individual needs of students by increasing the accessibility of studies and fosters a culture of equality and non-discrimination.

ASSESSMENT OF STUDY ACHIEVEMENTS

The assessment of the exam or other student achievement evaluation form is **submitted to LSMUSIS within 5 working days** from the date of assessment of the exam or other student achievement evaluation form specified in the LSMUSIS journal.

Appeals may be filed regarding:

- Exam evaluation within 2 working days of receiving the results
- Assessment of midterm within 1 working day after receiving the results
- Evaluation process within 1 working day from the assessment

A student who has failed an exam, homework (project), other form of evaluation, has the right to retake it twice free of charge, but no later than by the end of the current study year, i.e., August 31.

15

QUALITY OF STUDIES

The University pays great attention to ensuring the quality of studies. Students, as an important part of the University community, are encouraged to be active participants in the study process and contribute to improving the quality of studies by participating in meetings, interviews, and filling out feedback surveys.

"QUALITY THERMOMETER" is an instrument in the University information system LSMUSIS. It will allow you to EVALUATE:

Module (subject)

Short questionnaire – students see module/subject *Temperature* just after completing the 5-question questionnaire.

Teaching quality

Detailed questionnaire – for quality assessment of teaching. Students evaluate teachers from the list.

Your input

Questions for self-assessment

FINANCES

Reduction of tuition fee:

Tuition fee reduction requests are reviewed by the Committee established by the Rector's order once per semester, no later than two weeks before the tuition is due

- The grade point average of the last semester shall not be lower than the GPA of the semester of the course minus 10 percent.
- Students submit applications and documents via the <https://ismusis.ismuni.lt> system by filling out the application form to the deans of the faculties no later than four weeks before the tuition fee payment deadline.

DISPUTE RESOLUTION:

What should you do if you believe that your rights or legitimate interests have been violated?

- You can appeal to the Rector of the University/his authorized person or to the Dispute Resolution Commission.
- This can only be done in written form: submit a written complaint in person, by e-mail, or through the website.
- The complaint shall be submitted within 10 working days from the moment you learned about the violation of your rights and legitimate interests provided for by legislation.

How are complaints processed?

- When examined by the Rector, the complaint is processed in writing.
- When the Dispute Commission examines a complaint, a confidential oral hearing is held, attended by: the student whose complaint is being processed; the person due to whose actions and/or inaction the student applied to the Dispute Resolution Commission and other related persons. Both sides are invited to the hearing separately. During the hearing, the decision whether to justify or reject the student's claim is made.
