

Mokslinės informacijos Atviroji prieiga

Meilė Kretavičienė

LSMU Biblioteka ir informacijos centras

Meile.kretaviciene@lsmuni.lt

Kas tai yra Atviroji prieiga (Open access)?

Nemokama,
nuolatinė prieiga
prie recenzuotų
mokslinių
publikacijų
internete

Hulda Nelson pav.

Ar tai teisinga?

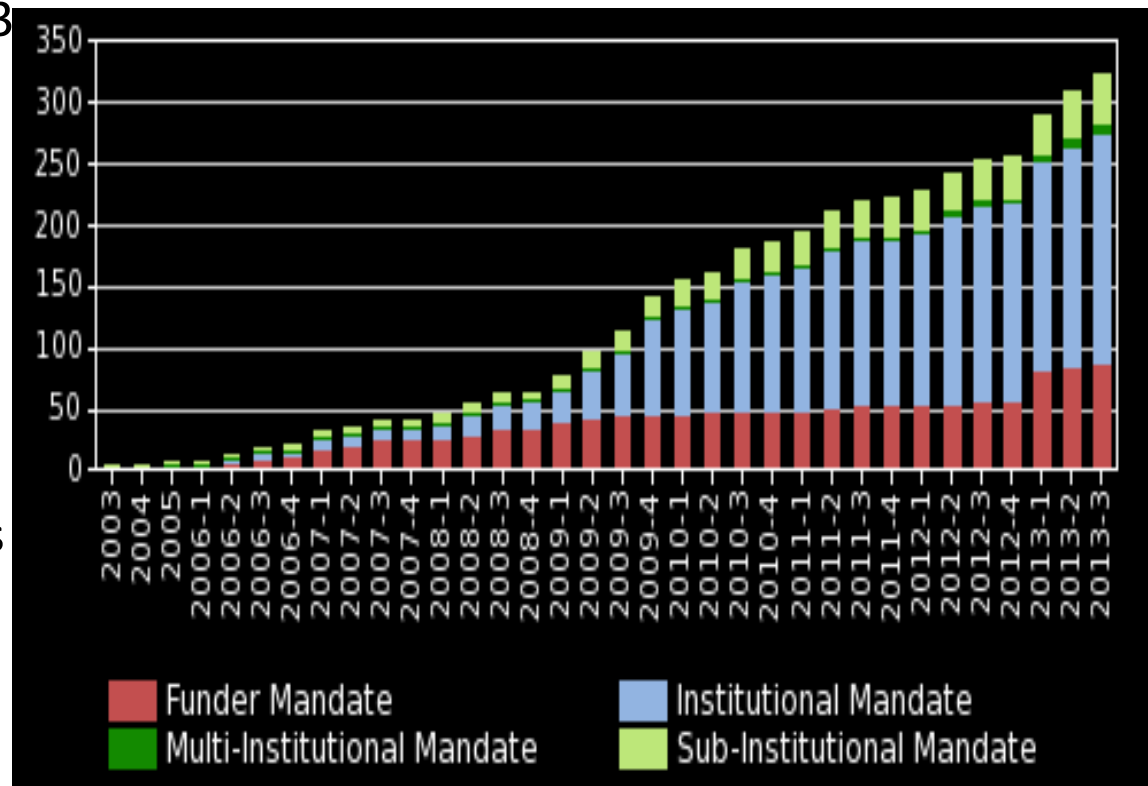

- Mokslas finansuojamas mokesčių mokėtojų
- Mokslas kuriamas mokslo institucijose, t.y. ne pelno siekiančiose organizacijose
- Autorius perduoda turtines teises leidejui, t.y. negauna jokio pelno
- Recenzentas negauna atlygio
- Pelną gauna komercinis leidėjas
- Visuomenė turtas atsiduria privačios rankose
- Valstybė finansuoja mokslą antrą kartą per bibliotekas, prenumeruojančias tas pačias DB

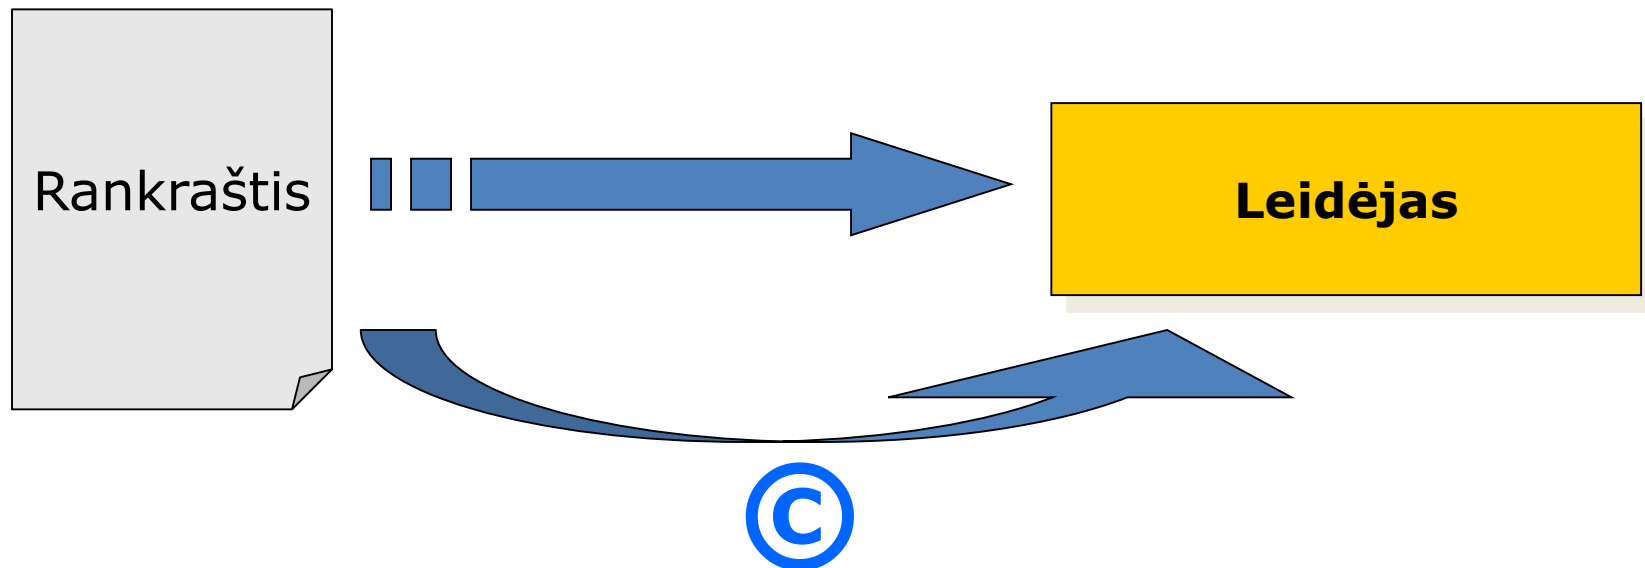

Atviros prieigos iniciatyvos ir politika

- 34 000 mokslininkų laiškas leidėjams, 2000
- Budapešto atviros prieigos iniciatyva (BOAI), 2001
- Berlyno deklaracija, 2003
- Europos mokslo taryba ([ERC Guidelines](#)), 2007
- Europos komisijos [FP7](#) , Horizon 2020 programos
- [LSMU AP mandatas](#), 2013

- Paskelbta atviros prieigos mandatų – 425;
- 83 mokslo fundatoriai reikalauja AP

Tradicioninis publikavimo būdas

Autorius perduoda autorines teises
komerciniam leidėjui

Rezultatas:

**Gali skaityti tik žurnalo ar DB
prenumeratoriai**

Publikavimas Atviroje prieigoje

Sumoka fundatorius, institucija ar autorius už straipsnio publikavimą, recenzavimą ir kt.

Rezultatas:

OPEN
@CESS
Autorius išsaugo
savo teises

**Visi laisvai gali skaityti,
Didėja autorių, institucijų matomumas,
Prestižas, citavimo rodikliai**

- Elephants' social skills are vital to their survival, helping them to live as part of a group. However, African Elephants lose these vital skills as a result of human disturbances and elephants that have suffered traumatic events, separation from family members and/ or translocations have a decreased ability to distinguish callers on the basis of familiarity or age-related cues.

Instructions for Use

1. Enter the information requested and select the option of your choice from the menu below.

Manuscript Title ?

Journal ?

Author Information ? +

Publisher ?

Agreement Type ?

2. Save the PDF addendum that is generated.
3. Print the addendum, and sign and date it.
4. Sign and date the publisher's agreement. Immediately below your signature on the publisher's form, write: "Subject to attached Addendum." This is very important because you want to make clear that your signature is a sign that you accept the publisher's agreement only if the publisher accepts you Addendum.
5. Make a copy of all three documents (the publisher's form, your Addendum, and your cover letter) for your records.
6. Staple the three original documents together.
7. Mail the three original documents to the publisher.

IMPORTANT NOTICE: This website provides general information and sample agreements but it does not provide individual legal advice. Creative Commons Corporation, including Science Commons ("Creative Commons"), is not a law firm and does not provide legal services, and you should not rely on us for legal advice. Using the materials on this website or communicating with us does not create an attorney-client relationship. Creative Commons provides this general legal information on an "as-is" basis. Creative Commons makes no warranties, including, but not limited to, the warranties of merchantability and fitness for a particular purpose, regarding the information or materials provided on this website. Creative Commons is not a party to this addendum or any related agreement. You agree that as consideration for making these materials available to you free of charge, you shall not bring suit against Creative Commons or otherwise hold Creative Commons liable to You or any party on any legal theory for any damages whatsoever, including without limitation any general, special, incidental or consequential damages arising in connection to your use of the materials and information.

ADDENDUM TO PUBLICATION AGREEMENT

1. THIS ADDENDUM hereby modifies and supplements the attached Publication Agreement concerning the following Article:

East-West gradient in the incidence of inflammatory bowel disease in Europe: the ECCO-EpiCom inception cohort.
(manuscript title)

Gut
(journal name)

2. The parties to the Publication Agreement as modified and supplemented by this Addendum are:

Kupcinskias Limas
(corresponding author)

Elsevier
(Individually or, if more than one author, collectively, Author) (Publisher)

3. This Addendum and the Publication Agreement, taken together, allocate all rights under copyright with respect to all versions of the Article. The parties agree that wherever there is any conflict between this Addendum and the Publication Agreement, the provisions of this Addendum are paramount and the Publication Agreement shall be construed accordingly.
4. **Author's Retention of Rights.** Notwithstanding any terms in the Publication Agreement to the contrary, AUTHOR and PUBLISHER agree that in addition to any rights under copyright retained by Author in the Publication Agreement, Author retains: (i) the rights to reproduce, to distribute, to publicly perform, and to publicly display the Article in any medium for non-commercial purposes; (ii) the right to prepare derivative works from the Article; and (iii) the right to authorize others to make any non-commercial use of the Article so long as Author receives credit as author and the journal in which the Article has been published is cited as the source of first publication of the Article. For example, Author may make and distribute copies in the course of teaching and research and may post the Article on personal or institutional Web sites and in other open-access digital repositories.
5. **Publisher's Additional Commitments.** Publisher agrees to provide to Author within 14 days of first publication and at no charge an electronic copy of the published Article in a format, such as the Portable Document Format (.pdf), that preserves final page layout, formatting, and content. No technical restriction, such as security settings, will be imposed to prevent copying or printing of the document.
6. **Acknowledgment of Prior License Grants.** In addition, where applicable and without limiting the retention of rights above, Publisher acknowledges that Author's assignment of copyright or Author's grant of exclusive rights in the Publication Agreement is subject to Author's prior grant of a non-exclusive copyright license to Author's employing institution and/or to a funding entity that financially supported the research reflected in the Article as part of an agreement between Author or Author's employing institution and such funding entity, such as an agency of the United States government.
7. For record keeping purposes, Author requests that Publisher sign a copy of this Addendum and return it to Author. However, if Publisher publishes the Article in the journal or in any other form without signing a copy of this Addendum, such publication manifests Publisher's assent to the terms of this Addendum.

Neither Creative Commons nor Science Commons are parties to this agreement or provide legal advice. Please visit www.sciencecommons.org for more information and specific disclaimers.

SPARC (the Scholarly Publishing and Academic Resources Coalition) and the Association of Research Libraries (ARL) are not parties to this Addendum or to the Publication Agreement. SPARC and ARL make no warranty whatsoever in connection with the Article. SPARC and ARL will not be liable to Author or Publisher on any legal theory for any damages whatsoever, including without limitation any general, special, incidental or consequential damages arising in connection with this Addendum or the Publication Agreement.

SPARC and ARL make no warranties regarding the information provided in this Addendum and disclaims liability for damages resulting from the use of this Addendum. This Addendum is provided on an "as-is" basis. No legal services are provided or intended to be provided in connection with this Addendum.

LSMU e. dokumentų talpykla (LSMU eDoc)

Universiteto institucinė talpykla yra paslaugų visuma, skirta universiteto bendruomenės narių sukurtos informacijos skaitmeninių duomenų valdymui ir sklaidai. Tai iš esmės yra organizacinis įsipareigojimas valdyti šiuos skaitmeninius duomenis, įskaitant jų ilgalaikį saugojimą, taip pat sutvarkymą, prieigą ir platinimą.
