|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Arrival and Welcome day     | Incoming students should arrive few days before the beginning of the semester or scheduled courses. Online Welcome Day takes place 1-2 days before the semester starts.                                                                                                                                                                                                                                                     |
| Mentor system               | Each incoming student gets a personal mentor (a student at LSMU) who helps to adjust to the campus life and assists throughout the stay in Kaunas. Incoming students receive the contacts of their assigned mentors by email few weeks before arrival.                                                                                                                                                                      |
| Lithuanian language courses | All courses offered for exchange students are given in English; therefore, LSMU does not organize Lithuanian language course before or during the mobility period.                                                                                                                                                                                                                                                          |
| Student card                | National student cards (except Lithuanian) are not recognized in Lithuania; thus we recommend to obtain an International student identification card (ISIC) <a href="https://www.isic.lt/en/">https://www.isic.lt/en/</a> or ESN card <a href="https://esncard.org/">https://esncard.org/</a> to benefit from discounts for various services at LSMU, in Kaunas city and country-wide (transport, sports, leisure and more) |
| Housing                     | LSMU provides shared rooms in the students' dormitory for a limited number of exchange students ( 100-160 EUR/person). Private accommodation options for international students in Kaunas: <a href="https://1home.eu/">https://1home.eu/</a> (150-400 EUR/room) and <a href="http://www.solosociety.lt/">http://www.solosociety.lt/</a> (330-500 EUR/room or shared apartment)                                              |
| Health Insurance            | <b>For students from EU/EEA countries:</b> European Health Insurance Card (EHIC)                                                                                                                                                                                                                                                                                                                                            |
