

4th INTERNATIONAL SCIENTIFIC-PRACTICAL CONFERENCE
“PSYCHOLOGY SCIENCE FOR HEALTH“
27 APRIL, 2023 (ONLINE AND LIVE)

This event is intended for students, psychologists, medical psychologists, psychotherapists, social workers, public health specialists, physicians, nurses, and education professionals. The aim of the conference is to share and disseminate the results of on-going research and projects in the field of Health Psychology, and to encourage partnerships and collaborations between different institutions not only locally, but internationally as well.

The program may change minimally until the event. For more details or questions feel free to contact us at psychology.for.health2022@gmail.com.
