6th INTERNATIONAL SCIENTIFIC–PRACTICAL CONFERENCE "PSYCHOLOGY SCIENCE FOR HEALTH"

This event is intended for students, psychologists, medical psychologists, psychotherapists, social workers, public health specialists, physicians, nurses, and education professionals. The aim of the conference is to share the results of the ongoing Lithuanian and international research and projects in the field of health psychology, enhancing the cooperation between psychology science and practice.

REGISTRATION

Registration for the conference will close on May 14th. Participants who have registered for the conference, will receive the official certificate approved by the LSMU MEDAS system, confirming acquired 8 training hours. There is no fee for participating in the conference.

The conference will take place at the LSMU Faculty of Public Health, Tilžės St. 18, room 110.
